Getting to Know Us
Michelle Gammon: Marketing Specialist

Michelle Gammon began working for Terra Dotta in May of 2010. A graduate of North Carolina State University, she has a B.S. in Business Management with a concentration in marketing.

As a Marketing Specialist, Michelle coordinates with the Terra Dotta sales team to develop and maintain the TD demonstration sites, leads advertisement design, manages the Terra Dotta Community Library, creates marketing and support videos, and maintains the Terra Dotta website.

Outside of work, Michelle enjoys biking, attending NCSU football games, spending time with her family, and being active outdoors.

She says she enjoys working at Terra Dotta because it is like being a part of one big family. Michelle particularly enjoys having the opportunity to create designs for Terra Dotta Software, because design is one of her passions.

Prioritizing Efforts and Collaborating in 2013

By: Gary Rhodes, Ph.D., Director
SAFETI Clearinghouse, Center for Global Education at UCLA

This [month's article](#) discusses the challenges administrators often face when returning from winter break. It proposes balancing personal time, both work and otherwise, with staff time, so that everyone in the office is on the same page in terms of how to best manage students and programs.
