

Who is StudentUniverse?

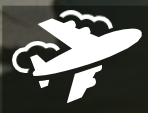

StudentUniverse is the world's leading travel booking site for students and youth under 26.

We offer exclusive pricing on flights (that can't be found on other sites) from over 220 airlines worldwide including United Airlines, Air China, British Airways, Air Canada and more. On top of our unique pricing, we offer promo codes around peak booking times for college students (study abroad, spring break, beginning/end of semester, summer, etc.).

And now, through the integration with Terra Dotta, we make it extremely convenient for your travelers to access StudentUniverse from their Terra Dotta application. Once travel is booked, itinerary information will also be available directly within Terra Dotta user profiles.

Students can save **\$20*** more on their first international flight with promo code **NEWFOR20**

StudentUniverse perks your students will love:

Flight prices that can't be found on other sites

Promo codes on top of already discounted flights

24-hour free cancellation on most flights
